By car

From the city centre/airport/motorway

If you are arriving by car, please park in the car park at 37 Johannstraße. Because 37 Johannstraße is on a dual carriageway, the car park can only be accessed from the right. The car park has two underground storeys. The marked spaces in them are available to guests of Grant Thornton.

You can reach the main entrance to the **Robert** building either by taking the lift or the stairs at the back of the underground car park to the ground floor of the **Robert** building. Then leave the building, turn right, go along the outside of the building and turn the corner to the right. You will now be in front of the main entrance.

After leaving the underground car park you can only turn right. The first right-turn is into Ulmenstraße. The first possibility to do a u-turn

is the junction of Johannstraße/Rather Straße (Mercedes works). When coming from Heinrichstraße/B7, from Nördlicher Zubringer or Ulmenstraße, please do not u-turn at the junction with Nordfriedhof.

By public transport

From the main train station

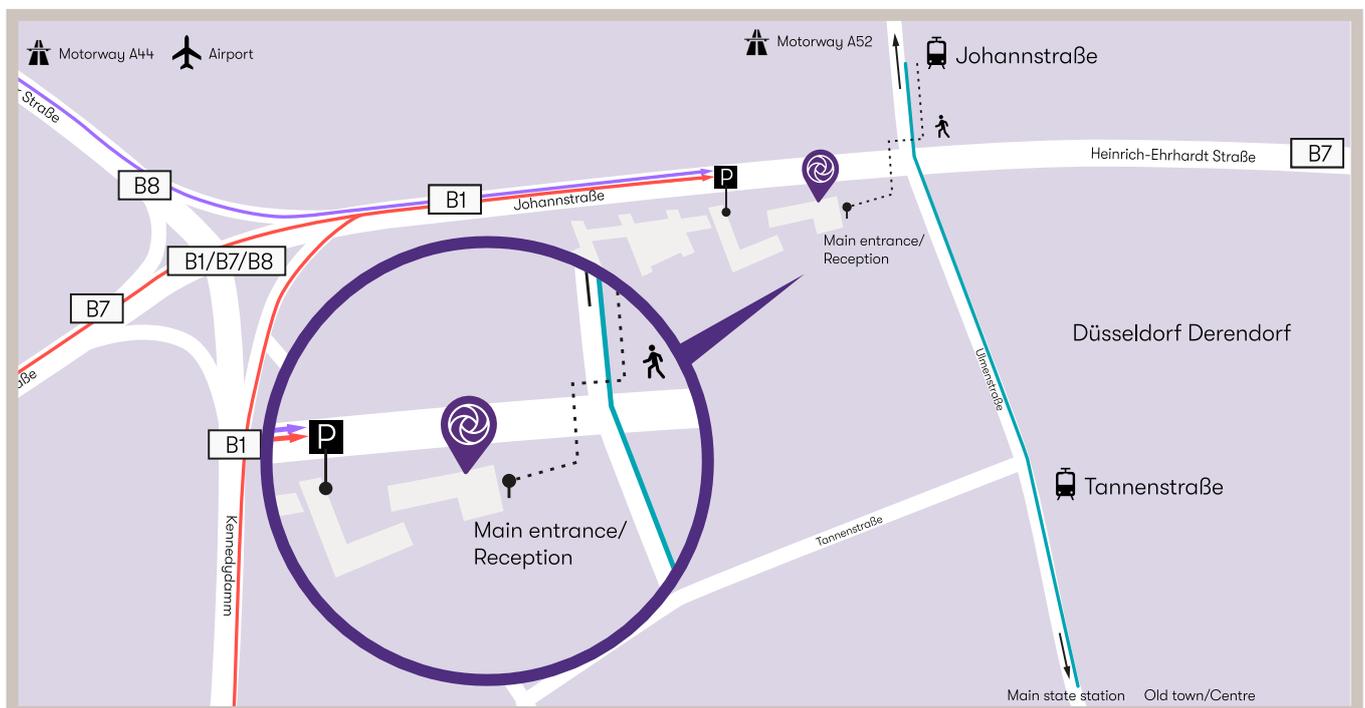

The Johannstraße stop for trams 707 and 715 and bus 834 is located directly in front of our building. Several regional and local train stations are reachable from Grant Thornton in just a few minutes.

By plane

From the airport

You can reach Johannstraße by taxi in about 8 minutes.

We're looking forward to seeing you!
